IZMIR'S BACKGROUND

4.3 million people reside in Izmir and it is the 3rd most populous city in Turkey. Also referred as the “Pearl of the Aegean”, Izmir is a tourist destination located at the Aegean coast of Turkey and is well-known for its historical sites, beautiful beaches and holiday resorts. The city attracts 950 thousand foreign visitors each year thanks to the numerous tourist attractions in and around. Hosting one of the biggest ports in Turkey, Izmir also has a significant amount of trade volume.

TAV Airports built brand new international and domestic terminals for Izmir Airport (ADB) in order to expand the capacity and accommodate the increasing air transport demand to/ from the city.

Operator of 15 airports worldwide, **TAV Airports** assists the airlines and tour operators to grow their business in Izmir through its regional experience and know-how.

IZMIR OFFERS THE BEST OF THE AEGEAN

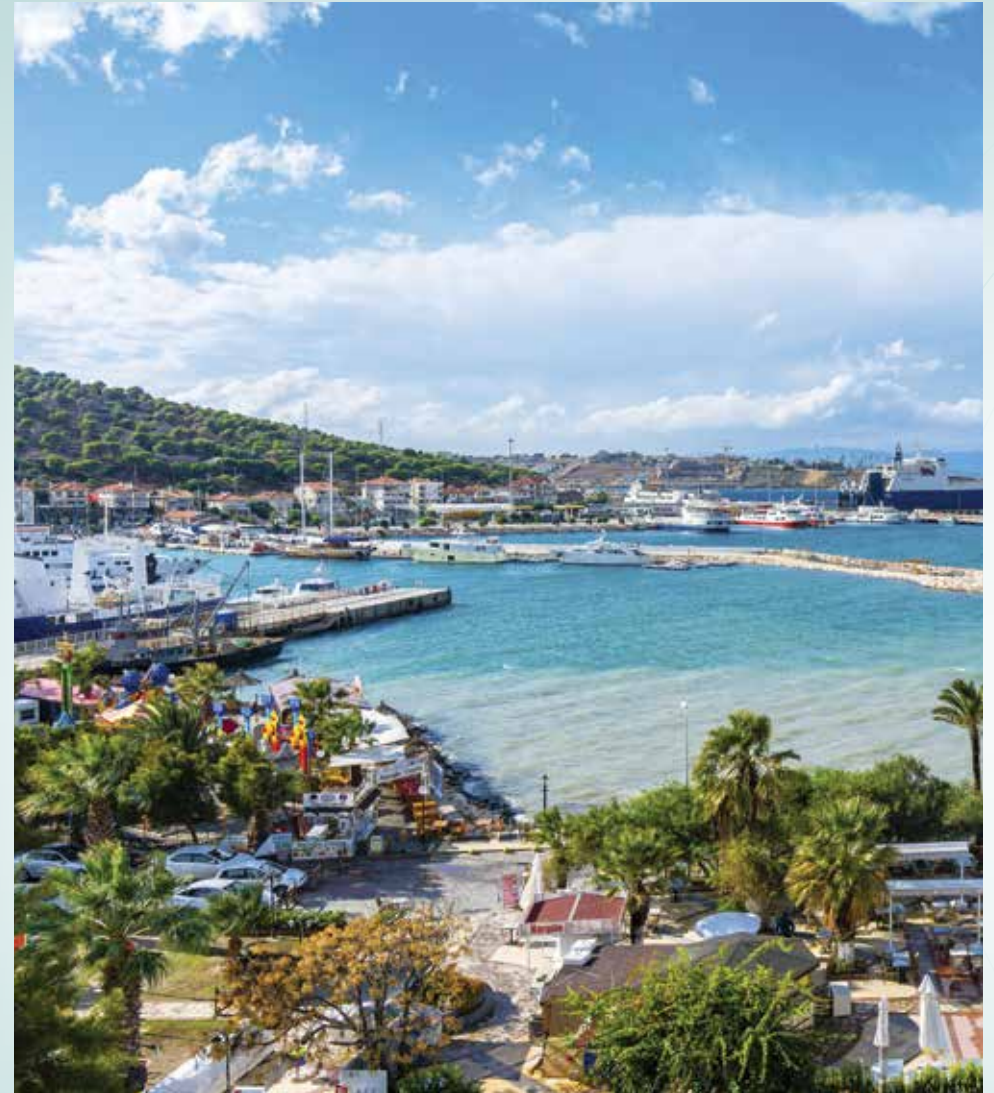

Izmir is well-known for its historical areas, beautiful beaches and holiday resorts. Izmir Airport (ADB) is the most convenient entry point to the Aegean region for the visitors. The city is closely located to major touristic districts such as **Çeşme, Selçuk and Kuşadası**.

Its massive tourism makes Izmir a lively city. The House of the Virgin Mary, located near Ephesus in Selçuk, is a holy place for Christians and visited by more than half a million people every year.

The tourism development plans of the Government regarding Izmir and its vicinity reveals that the bed capacity of the region will be increased from 75,000 to 100,000 by 2023. Ongoing investments in holiday resorts and conference halls will boost Izmir tourism and the area will become one of the most popular tourist destinations in Turkey for foreign visitors.

International Arts Festival, short film and jazz festivals and Izmir international Fair are some of many events held in Izmir.

ADB is closely located and well connected to the city. Transportation by bus to the city center takes only 20 minutes. Access is also available by shuttle buses, trains and taxis.

ADB HAS CONVENIENT ACCESS TO HOLIDAY SPOTS

The city of Izmir and its vicinity has always been a popular holiday destination among Germans and Turkish Cypriots. UK, Iran and Netherlands markets are also significant in ADB.

ADB Airport has a populous catchment area and is located near many popular holiday spots.

ADB is a popular destination in Aegean coast with non-stop international flight destinations totaling up to 67 which are served by 49 different airlines, including the seasonal summer charter operations.

While Sun Express and Pegasus Airlines are the dominant carriers, Lufthansa, Thomas Cook Airlines, Belavia, Thomson Airways, EasyJet, Aer Lingus, Aegean Airlines and Saudi Arabian Airlines are some of the international airlines operating in ADB.

ADB IS OPERATED BY EXPERIENCED MANAGEMENT WITH REGIONAL KNOW-HOW

TAV Airports has been operating Izmir's ADB Airport International Terminal since 2006 and the domestic terminal since 2012. Having established itself as an international brand with its ever increasing business volume and successful projects in the three continents, TAV Airports serves more than 1,024 flights by more than 200 airline companies and 152 million passengers each year. TAV Airports is the leader in airport operations in Turkey, and is becoming a leading operator in the Middle East North Africa (MENA) region.

TAV deploys an expert management team in charge of operations in Izmir Airport, **ensuring quality airport service in compliance with international standards.**
